

espionage (also known as spy) is a game mode in the call of duty series where the player assumes the roles of a secret agent. the player has to complete objectives, such as killing an enemys' allies, by coordinating movements between the objectives and the cover. the player can also complete the game in single-player mode. a manhunt is a game mode in the call of duty series. the manhunt game mode has one or two players trying to kill the enemys while they are the last one standing. players can use either the primary or secondary gun to kill the enemys. on infection, if the enemys break the player's gun, they become infected and the player takes an amount of damage. a nade is an explosive used in various game modes in the call of duty series. this can be used to destroy a wall or a ceiling, or to ignite with a heat that kills any player in the area. the player can also lock onto enemies, making it easy for the player to kill the target. a sniper refers to a player who uses a bolt action rifle that shoots both a high-powered bullet and a low-powered bullet in one shot. in general, the sniper kills at the front of a battle at a medium distance with moderate accuracy. a strategy game is a game where the player controls a series of actions, usually with a goal in mind to succeed in the game. "the ultimate goal of the strategy game is to achieve a state of total domination over the other team. a strategy game usually involves the realization that the game isn't over until one team finally wins, which gives the players a greater sense of achievement, self-esteem, and winning mentality."
